Reference: Paramagnetism Reading on MT Sylvia Polagonite

Dear Sir

Following is the Laboratory Paramagnetism Reading Results on a sample of Mt Sylvia Polagonite, which you obtained from the Quarry Production Site on 20-8-2009.

**Mt Sylvia Polagonite Material Product**

**Paramagnetism Reading = 1180**

The above reading was carried out on a Dr. P. Callahan designed P.C.S.M Meter.
